Pair With Us!

“PAIR” WITH US AND HELP PROVIDE BETTER OUTCOMES FOR CANCER PATIENTS!

Naples Cancer Advisors is not your typical oncology practice. For starters, we don't charge our patients for our services. And we don't even charge their insurance companies, because we don't want insurance companies getting in the way of patient care. We consult with patients –we don't take over their treatment –so we have no financial incentive to do anything other than work hand-in-glove with their treating oncologist. We slow the process down, spend as much time with patients as they need to understand their diagnosis, and therefore facilitate making better treatment choices.

“MATCH” YOUR GOALS TO OUR MISSION

Our mission is to lessen the suffering and mortality that often accompanies a cancer diagnosis and make Naples the best city in the country to be if one must receive a cancer diagnosis. You can become a vital part of that mission by becoming a sponsor or by simply attending our event, having fun, if you see something you like, buy it and if you enjoyed the event, tell your friends!

THE “SOLE” PURPOSE OF WHAT WE WANT TO ACCOMPLISH

When you “pair with us” in 2024, you will help us raise funds so that we can continue to be among the most important resources in the life of a Greater Naples cancer patient. Sadly, there are still 600,000 Americans that will succumb to this hideous disease each year and more than 11,000 Greater Naples residents will be newly diagnosed with cancer in 2024 alone. But...the cancer research pipeline offers many reasons to be optimistic about outcomes for future cancer patients. We want to continue to provide free consultative oncology services so patients understand their diagnosis, are advised of their treatment options, and are therefore empowered to make the best possible decisions about their care. Please join us in this important mission!
